

Meet the ESVS in Zagreb

VASCULAR FORUM

ZAGREB / 05.05.2023.

Preporodna dvorana HAZU

We are pleased to invite you to join us at a very special gathering, jointly organised by the Croatian Society for Vascular Surgery (HDVK) and the ESVS.

Meet the ESVS in Zagreb

5th of May 2023 | Preporodna Hall,
Opatička 18, Gornji grad, Zagreb

This collaborative one-day congress aims to bring the European Society for Vascular Surgery closer to Croatia and its neighbouring countries.

The congress will be comprised of scientific sessions, lectures, and round table discussions through which we hope to share the floor with local and regional experts on the topics of **PAD, aortic pathology, and carotid artery disease**. During this event, we'll also be holding an **EVST session**, specially tailored to trainees, and **hands-on workshops**.

Join us in this one-day scientific meeting and meet colleagues from neighbouring countries, and share your experience with regional experts.

Attached is the preliminary programme, with topics and names to be added soon.

Vedran Pažur

Chief of the Vascular Surgery
Dep. UH Merkur Zagreb Croatia

Igor Koncar

ESVS Academy Chair

Petar Zlotanovic

EVST Secretary

VASCULAR FORUM

Meet the ESVS in Zagreb
